Dear President Cyert:

This is to confirm my 31 October 1978 telephone conversation with you.

Admiral Turner is looking forward to meeting with you and several other university presidents and leaders of the American academic community, on 15 February 1979, for a free-flowing exchange of ideas on academic-intelligence relationships. This meeting will also provide an opportunity for you to visit our CIA Headquarters facility and meet with a variety of Agency officers representing diverse interests and disciplines.

I will be getting in touch with you in January to make final arrangements. If you have any questions, I will be glad to discuss them with you. I can be reached on 703-351-7848.

Yours sincerely,

STATINTL
